

Windy Acres

1 Year Health Guarantee

223-322-1506

All puppies purchased from Windy Acres come with a health guarantee. Within 10 days of purchasing your new puppy, you must take him/her to a licensed veterinarian for an examination. If the licensed veterinarian determines within 10 days of purchase that your dog is clinically ill or has died from an injury sustained or illness likely to have been contracted on or before the date of sale and delivery, you have the following options:

- Return the dog for a complete refund
- Return the dog for a replacement dog of equal value
- Retain the dog and receive reimbursement for reasonable veterinarian, not exceeding the purchase price

These options do not apply if Windy Acres has provided a health certificate issued by a veterinarian discloses in writing at the time of sale the health problem for which the buyer later seeks to return the dog.

If within one year of the dog's date of birth, a licensed veterinarian determines that your dog dies from a congenital or hereditary defect, you have the same options as outlined above. You must notify Windy Acres of the examining licensed veterinarian's name, address, phone number within two days of the vet's certification of your dog's illness. Failure to notify the seller within two business days will result in forfeiture of rights.

Please know that all puppies can have worms or internal parasites. We deworm regularly and to the best of our knowledge, your puppy has no parasite issue. However, if your puppy has any parasite this does not mean that your puppy is un-healthy... it just means that you must keep up with the treatments that your veterinarian gives the puppy or recommends.

The goal here at Windy Acres is to provide you with a healthy puppy that will stay in your family for years to come. We don't want to see your puppy with a health issue any more than you do. If your puppy shows up with any type of health issue, please contact us so that we are aware of it.

This puppy is covered with a 1-year guarantee

1. This additional guarantee specifically covers any disease or illness that is proven to be of a genetic origin through proper veterinary examination testing.
2. This guarantee does not cover normal veterinary cost incurred while providing general care for the puppy.
3. Proper documentation must be provided to Windy Acres prior to any compensation being paid.
4. This guarantee does not cover any cost incurred related to injuries caused by owner negligence or accidental injury.

By signing, both the buyer and the seller agree to use honesty and trust, and have read and understand this health guarantee.
